10 Natural Organic Fertilizer Recipes

Categories: Growing your Own, Homesteading, Self-Sufficiency, Urban Survival

Some fertilizers come in big 50 pound bags you find down at the local garden center and are nearly always full of harmful chemicals for animals or water supplies, did you know they can be hiding right inside your house.

Over at the Home Grown Fun website they have a list of 10 natural, organic fertilizer recipes. Click the link below to see all 10 natural organic fertilizer recipes.
