10 Time Saving Kitchen Hacks You Need To Know

Categories : Cooking, DIY, General

We have featured quite a few posts about life hacks, DIY and kitchen hacks previously. Everytime we do a post on hacks, I get loads of messages asking what exactly are hacks and life hacks? Simply put a hack is a new term used to describe a tip, trick or technique for getting something done quicker or easier than usual.

The kitchen hacks on the post below by 'Empowered Sustenance' are amazing. Each one is genuinely useful day-to-day, my favourites are the avocado one (which I'll be trying shortly!) and the cheap DIY Magic Bullet blender using your own blender and a mason jar. Check out the full list of kitchen tips and tricks on the link down below.
