

# 10 Ways To Be More Self-Sufficient Without A Farm Or Homestead

Categories : [Homesteading](#), [Self-Sufficiency](#)

Some of us are lucky in that we have some space or a bit of land to grow some food and raise some animals. However many folks living in towns and cities often live in apartments or homes with little outdoor space. I think a lot of these people get demoralized and think there isn't much they can do to prepare or be more self-sufficient.

If you live in an apartment or your house has a small garden, it is more challenging to be more self-sufficient, but there are certainly a number of things you can do to help you on your way. Check out the post below for some things you can do to get the ball rolling...
