

# 101 Uses For Vinegar

Categories : [General](#), [General Prepping](#), [Homesteading](#)

We have covered how useful vinegar is previously, but today we are going to demonstrate JUST how useful and versatile vinegar is, by giving you 101 uses for it...

The 101 uses are broken down into the following categories: cleaning, laundry, health & beauty, home & garden and misc. Seriously, if there are five products every household should have they are vinegar, baking soda, duct tape, WD40 and hydrogen peroxide. Check out the 101 uses for vinegar below.
