I love reading stuff about natural plants and herbs. We as humans need to start using what we used thousands of years ago again and get away from all the harmful contaminates and chemicals in today's so called "healthy" stuff.

But when you get your hands on the mightily useful little medicinal marvel, what can you do with it? Here's a rundown, and I'm sure many of you have already used a Witch Hazel product in one form or another, it's very useful, so put it on the top of your next shopping list. Click the link below to see the 15 uses.
