

17 Things Our Grandparents Did When 'GREEN' Was Just A Color

Categories : [General](#), [Homesteading](#)

This post should actually be titled - 17 things our Grandparents did when GREEN was just a color AND frugal was just the way of life...

Check out the post below for 17 frugal/eco things you can do, that will definitely save you money, and go some way to helping save our planet. Regardless of how wealthy you are, things like cooking your own meals at home and recycling and re-purposing stuff just makes good sense.
