

200+ Unusual Uses For Ordinary Things

Categories : [General](#), [Homesteading](#)

We love finding new things to do with stuff we have at home... Some things such as [baking soda](#) and [apple cider vinegar](#) literally have 100s of genuinely useful uses.

Below is a post from the Instructables website; they have gathered up loads of individual posts (on Instructables) about alternative uses for this and that, and then compiled a super post featuring all of them together. This super post contains 200+ uses for normal everyday items you likely have at home. Check it out below, save some money and make your life a little easier.
