We have done so many 'uses for this and that' post on K.W.N and they are some of the most popular posts we have done. Below are some of the most popular ones.

- 101 Uses For Vinegar
- 28 Amazing Uses For Hydrogen Peroxide
- 2000+ Uses For WD-40
- Thirty Unusual Uses For Aluminum Foil
- 7 Amazing Unknown Uses for Aspirin

There are loads of others too - use the K.W.N search facility and search 'uses for'. However we have never featured a post about the uses for sandpaper. You likely have some sandpaper laying around somewhere, so check out the post below, see what you can do with it, and then put it to good use.
