We have featured quite a few posts about hacks for various subjects, but I keep getting messages asking about the use of the term ‘hack’ and what it means. Effectively it means tips and tricks and ways of doing things that you probably hadn’t consider previously. It can also mean using day-to-day items for uses other than that they were intended.

Anyway this post is about hiking hacks. We did camping hacks a while back, so I thought it was time to share some hiking tips and trick, as I know a lot of you will be outdoors hiking now the weather has warmed up. Check out the list of hiking hacks below, there’s some awesome information in there.
