25 Alternative Uses For Olive Oil Around The House

Categories : Cooking, Homesteading, Self-Sufficiency

As a cooking fat, it’s high up on the heart-smart list...which works out, ‘cause it tastes darn good. Olive oil can be used for literally scores of things besides cooking. Click the link below to see some different ways to use olive oil that we hope you might find useful around the household and for personal care.

You don't need to use premium Extra Virgin olive oil, just grab a bottle of inexpensive, domestic olive oil for around-the-house use. You can cut down on excess oil by investing in a refillable spray can, such as the Misto® olive oil sprayer.
