25 Genius Household Hacks You'll Wish You Thought Of First

Categories: DIY, General

As said previously - I get a lot of messages asking about the term 'hack', with quite a few complaining about its use. Hack is simply a new term used to mean a tip or trick, or new way of doing something. If you simply replace the word hack with tip or trick, you won't go far wrong.

These 25 DIY household hacks (tips/tricks!) are awesome! We have a lot of pine trees around our house, and I for one am going out to get some PVC pipe to attach to the lawn blower, so I can clean the gutters. Such a simple thing but I would never have thought of it myself... Check out the full list of 25 hacks on the link below.
