A floor standing fan and an extension cable equals = a redneck leaf blower! Genius! And that's just one of thirty one redneck hacks and tips, some other highlights are the clothes hanger muffler fix, the pickup truck swimming pool and the bunk-beds!

Some of these tips and hacks are just for fun really, but some of them are genuinely (why didn't I think of that) useful. At the very least you will be entertained, but could have a laugh and pick up some tips and hacks.

31 Redneck DIY Hacks Which Are Borderline Genius
