

## 37 Amazing Uses For Cornstarch

Categories : [General Prepping](#), [Homesteading](#), [Self-Sufficiency](#)

I knew vinegar and baking soda have loads of alternative uses (search K.W.N for vinegar or baking soda for previous posts), but I had no idea cornstarch also had so many uses... It's great for soothing burns and sunburn, it relieves the irritation from bug bites and poison ivy and it is amazing for removing stains, absorbing oil and moisture. Check out the other 30 or so uses below!

If you store some vinegar, baking soda and cornstarch, imagine how many bases you'll have covered...
