4 All Natural, All Purpose Healing Salve Recipes

Categories: DIY, General Prepping, Health/Fitness, Homesteading, Recipes, Self-Sufficiency

Sometimes it is just nice to use what nature provides to help us heal, at least when we are talking about minor cuts, scratches and burns etc. Below is a tutorial from 'One Good Thing By Jillee', which shows how to make not one, but four natural healing salves.

There is an all purpose healing salve, an anti-allergy (with natural anti-histamine properties), an aches & pains salve and finally an natural anti-ageing salve.
