

50 Life Hacks That Make Life Easier

Categories : [DIY](#), [General](#)

What did we used to call 'life hacks' before someone coined the phrase 'life hack'? I like the term 'life hack' and most of us know where we are with that... It's a little tip or non-standard technique which gets the job done either faster or easier.

The selection of life hacks below is awesome! The Post-it note hack to catch the dust from drilling in the photo above is so simple, but so clever. There's another 49 excellent life hacks below, so be sure to check them out, and make your life that little bit easier...
