

## 6 FREE Fallout & Survival Shelter Build Plans

Categories : [DIY](#), [General Prepping](#)

If you have been considering building a fallout/survival shelter or bunker, but you don't know where to start, you've come to the right place today. Building some kind of bunker/shelter is usually high on the to-do list for most preppers. Problem is a badly built shelter/bunker can be worse than useless. If you decide to bug-in, in a poorly built shelter, the consequences could be dire. The other problem is - most commercial bunker building companies have hiked up their prices, due to the popularity of prepping on TV shows like Doomsday Preppers...

Luckily for you though you can now build a quality fallout shelter/bunker that will do its job, and won't cost an absolute fortune to build. The link below contains build plans for underground and aboveground bunkers, a modified ceiling shelter, a basement shelter and more... All in PDF format. Download them and print them out today!
