9 Frugal Living Tips From The Great Depression

I read somewhere the other day the frugal living was going to be the new 'in' trendy thing for 2014. It's nice for some to be able to play at having to live frugally, but for many of us, it is simply a way of life, not a trendy lifestyle choice...

Anyway, regardless of whether it's a trendy choice, or a necessity for you, below is a post listing 9 frugal living tips that folks had to rely on during the Great Depression. Actually when I go through the list, I am starting to think that maybe choosing to live this way as a lifestyle choice (rather than having too!), isn't such a bad thing after all. I think the world might be a better place if we took on some of these values.
