Delicious Onion Meatballs (Onion Bombs Recipe)

Categories: Cooking, Recipes

This is another one of those - how come I have never thought about cooking meatballs like this, it seems so obvious and you just know these are going to be delicious...

You can make them at home (as we will be doing this week!), but they are equally suited to campfire/outdoor cooking. Just wrap them in foil and put them in the fire to cook for 10 minutes. Head over to 'Eating In Neverland' to get the recipe and cooking instructions.
