A few weeks back we did the post: [Peasant Bread: The Best Easiest Bread You Will Ever Make](#) which is also from 'Alexandra Cooks'. The peasant bread post was so popular, that when I saw Alexandra's no-knead oat bread, I knew I had to feature it as well.

This easy no-knead oat bread, is as the title suggests - an oat bread that is super quick and easy to make! My advice - get this recipe and get baking! If it is anything like the peasant bread it will be absolutely delicious.
