

Fire: Creating the Perfect Tinder Bundle

Categories : [Creating Fire](#), [General Prepping](#), [Self-Sufficiency](#), [Wilderness Survival](#)

Whether you are catching a spark from a metal match striker or creating an ember from a bow drill kit, a properly prepared tinder bundle can mean the difference between the warm glow of success and cold sting of failure with fire!

I have tried many different tinder bundles and failed making fire because of it, the article below tells you all the tips on making the perfect tinder bundle you could ever need. Remember to bookmark the article so you can come back at a later date.
