How To Break Out Of A Trunk

Hey, you never know! One day you might find yourself trapped in the trunk of a car. Sure it's unlikely, but it might be worth a minute of your time to find out how to escape, just in case...

Funnily enough when I was kid my Dad used to fix up cars; I was playing in the trunk of one when I was around five or six, and I did actually mange to lock myself in the trunk. I remember being terrified and it seemed like it took ages for my Dad to hear my screams and let me out. Find out how to escape from a trunk below, then teach your kids!
