How To Make Monkey Butter & Why You Have To

Categories : Cooking

If you are lucky, you've already tried monkey butter and know what it is. If not, you are so in for a treat today as monkey butter is truly a food from the Gods! Monkey butter is made from bananas, canned pineapple, coconut, sugar and lemon juice, and it might just be the most delicious thing you can put on a slice of bread.

If I have tickled your fancy and you are keen to make some monkey butter, you need to head over to 'Made From Pinterest' on the link below to find out more and grab the full recipe. Once you make some I guarantee you'll pass the recipe over to friends and family for them to try too.
