How To Make Your Own Healing Salve (Home-made Natural Neosporin)

Categories: Homesteading

This home-made healing salve is super for small everyday cuts, bumps, burns and chapped skin. It's also great for diaper rash and eczema. *Note: everyone's eczema is different so test on a small area first to make sure you don't get a reaction. This is good advice when trying any new cream or lotion.*

This Boo Boo healing salve contains the calming herbs comfrey and calendula. It also contains honey (antiseptic qualities) and coconut oil (moisturizing qualities) and lavender oil (antiseptic qualities).

*[You can get all the ingredients to make this healing salve here]*
It's great fun making your own potions and creams. If you want to learn how to make this healing salve, check out the link below for the recipe and instructions.
