How To Roast/Skin Peanuts And Make Delicious Homemade Peanut-Butter

Categories: Homesteading

Do you want to turn these peanuts...

Into this peanut-butter?
Peanut-butter is one of my favourite foods ever. I love it spread nice and thick and I would eat it everyday if it wasn't so expensive...

Here's an idea though - peanut-butter is expensive, but peanuts are cheap when purchased in bulk, so let's buy a load of peanuts and make our own healthy peanut-butter without the additives or hydrogenated fats.

If you're interested, head over to Are We Crazy Or What? and check out their tutorial (with loads of photos) showing how to process (de-skin) and roast the peanuts and then make delicious peanut-butter.
