How To Sharpen Your Knife (Ray Mears)

Categories : Tools & Gear, Wilderness Survival

This is how most of us do it..

This is how the pros do it!

Pretty much everyone has at least one knife. It might be a small penknife or a large bushcraft/survival knife.

The question is - do you know how to correctly sharpen your knife? If in doubt, Ray Mears is here to the rescue.

By the way... one day, one of those Ray Mears' knives will be mine, oh yes, it will be mine...
