How To Unshrink Shrunk Clothing

Categories: DIY, General

I think I can safely say that there is no one reading this who hasn't at one time or another, shrunk some clothing. If you were lucky it was some old tshirts, if you were unlucky it could have been those favorite $60 Levis...

Normally when you shrink clothing it's either given to someone smaller, or thrown in the trash. Not anymore though! Thanks to Jillee, from One Good Thing By Jillee, you can now unshrink your clothing. Check out her tutorial on the link below and give it a try.
