Soap Making 101 – How To Make Cold Process Soap

Categories : DIY, General Prepping, Homesteading, Self-Sufficiency

There are many reasons why you might want to make your own soap; anything ranging from a simple hobby, to wanting to be more self-sufficient, or maybe you want to learn how, so if the SHTF you have a means to maintain hygiene for you and your family. In fact if you can make soap, you can sell it, or barter with it.

This tutorial shows how to make cold process soap, as this is the most common and simplest way to make your own soap. It's a really great tutorial, with photos along the way to help you. Actually, if you want to go really basic and off-the-grid, check out our earlier soap making post: Soap Made From Wood Ash & Animal Fat
