Some Of The Common Prepping Mistakes And How To Avoid Them

Categories : General Prepping

It can be a minefield when you first start getting into prepping, so many books, websites and TV shows all telling you what you should be preparing for and what you should and shouldn't be doing to prepare.

The thing is - some of the constant advice is relevant, but prepping by its very nature is personal to you and your family and what it is you feel you need to prep for... With this in mind, every family has different needs and requirements and each will prepare in slightly different ways to meet these.

Anyway, Butch over at Prep Blog has done a great post on some of the common prepping mistakes and how you can avoid them. It's a good read, so check it out.
