If you have turned on the TV lately, you may well have seen a trailer promoting the new big budget movie about Hansel & Gretel. If you happen to have missed it somehow, you can watch it above.

Anyone who knows the story of Hansel & Gretel knows there are some very good survival rules covered in the tale! Breadcrumbs for example.... Well, Creek Stewart from Willow Haven Outdoor has taken things a stage further, he has used the tale as a reference, but then taken it a stage further by detailing some vital survival skills for finding your way out, or getting found, if you are ever lost in the wilderness. There are some key tips here that could make all the difference.
