Could you feed your family from your garden if you *had* to? What if you simply decided you wanted to?

This emergency survival seed vault was created to serve that very purpose. With a large selection, this seed bank contains 20 varieties of easy-to-grow heirloom vegetable seeds. All seeds are packaged in jumbo-sized triple-layered foil packets. These packets have built in zip-lock, so they can be resealed once opened. Detailed planting, harvesting, and seed saving instructions are included!
