The Seeds of the Month Club

Categories: Growing your Own

We have a new sponsor on Knowledge Weighs Nothing, you may have noticed the ad in the sidebar, if not, I'd like to introduce you to 'The Seeds of the Month Club' which is a great low cost subscription service that sends you 4 packs of 100% non-gmo, heirloom variety vegetable seeds each month, ready for planting. What a great idea!

The Seeds of the Month Club is operated by Mike the Gardener Enterprises which was founded by Michael Podlesny, a 3rd generational home vegetable gardener and published author of the book Vegetable Gardening for the Average Person, who has been vegetable gardening himself for nearly 30 years. Mike's vegetable gardening tips and tricks have been featured in newspapers, magazines and blogs around the world. He has also appeared on Fox, ABC and NBC talking about vegetable gardening and the Seeds of the Month Club.

The Seeds of the Month Club boasts members in all 50 states and in over 17 countries around the world. Each month, members receive 4 packs of 100% non-gmo, heirloom variety vegetable seeds. That means not only are the seeds safe and healthy, but you can save the seeds from the fruits and grow the exact same item in subsequent seasons.

Mike is also dedicated to not only providing quality, safe seeds to club members, but also the help needed to ensure success in the vegetable garden. With over 100,000 followers to his social networks, website and newsletter, members can tap into a vast array of help of virtually any gardening topic and get the advice they seek.
